

### FREQUENTLY ASKED QUESTIONS

#### Are pets allowed?

Yes, pets are welcome in the park, but must remain on leash and under control at all times, per Metro Ordinance. Inside the Conference Center is restricted to certified service animals only. Please clean up after all pets.

### May I smoke?

Smoking inside government buildings is prohibited. Smokers should be 50 feet from the building. Please dispose of cigarettes responsibly.

### What about alcohol?

Alcohol is prohibited in Metro Parks.

Weddings at the Conference Center may serve alcohol only if provided and served by an approved caterer.

### Must I use your caterer?

Carry-in food is allowed for small gatherings and, of course, picnics. Catering in the Conference Center requires choosing from the Louisville Metro Approved Catering List.

#### What does Non-Standard Lawn Use mean?

Metro Parks understands family gatherings and meetings can be more entertaining with outdoor activity and encourages an active lifestyle. Games, grills and picnic tables are considered normal use of the lawn. For large weddings requiring canopy, chair and table rental for the lawn, a non-standard lawn use fee will be incurred.

### May we rent canopies, tables and chairs for lawn use?

Metro Parks does not have rental items for outdoor use; however, these items can be arranged through a separate vendor. Please contact our office to arrange delivery and pick up, which may incur a Load In/Load Out fee if separate from the rental date.

#### Is there anything we need to bring?

You will need coffee and coffee filters, serving utensils, paper dining products, Dry Erase markers if needed. The Forest supplies coffee maker & cups, microwave and stove for warming, refrigerator, up to 3 bags of ice, and trash bags.

#### Is there a kitchen?

Yes, the kitchen is fully equipped with microwave, coffee maker, stove and refrigerator to be used for warming and cooling only. No cooking please.

#### How many people does the Conference Center hold?

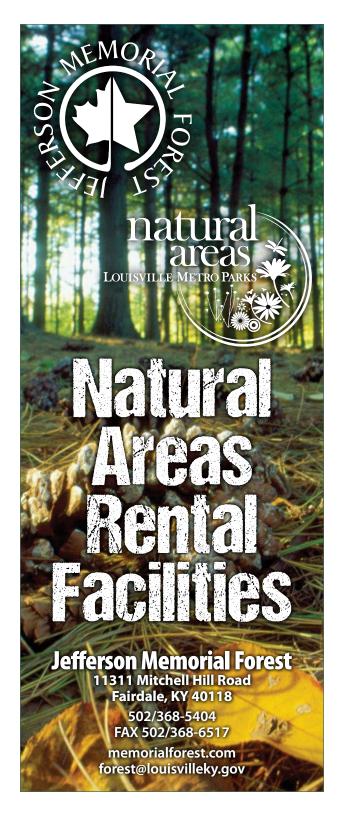

The Horine Conference Center has a maximum capacity of 75 people in the building. The building consists of a main conference area, two breakout rooms a lounge and kitchen. Each area, except the kitchen, can accommodate 25-30 people.

#### How many vehicles can we park at the Conference Center?

Up to four vehicles are allowed to park in the turnaround area next to the building. Additional vehicles are required to use the main gravel parking area.

### What technology is available in the Conference Center?

The Horine Conference Center is equipped with an audio-visual system in the main conference room, complete with ceiling projector and laptop hookups. Wi-fi and cable are not available at this time.
